

## LANDAU SCHOOL

### Child Protection and Safeguarding Policy

LANDAU School fully recognises its responsibilities for child protection.

Our policy applies to all staff, working in the school. There are five main elements to our policy:

- Ensuring we practice safe recruitment in checking the suitability of staff and volunteers to work with children.
- Raising awareness of child protection issues and equipping children with the skills needed to keep them safe.
- Developing and then implementing procedures for identifying and reporting cases, or suspected cases, of abuse.
- Supporting pupils who have been abused in accordance with his/her agreed child protection plan.
- Establishing a safe environment in which children can learn and develop

**Child protection is the responsibility of all school staff. LANDAU School will therefore:**

- Establish and maintain an environment where children feel secure, are encouraged to talk, and are listened to.
- Ensure children know that there are adults in the school whom they can approach if they are worried.
- Include opportunities in the PSHE curriculum for children to develop the skills they need to recognize and stay safe from abuse.

#### **Roles and Responsibilities**

All adults working with or on behalf of children have a responsibility to protect them. There are, however, key people within schools and the Local Authority who have specific responsibilities under child protection procedures. The names of those carrying out these responsibilities for the current year are listed on the cover sheet of this document.

It is the role of the Governing Body and the school leadership team to ensure that the Named Persons for Child Protection are properly supported to carry out this task and that they are given time to fulfil the duties that their role demands.

The school leadership team will ensure that Named Persons for Child Protection attend the required training and that they refresh their training every two years.

A statement in the school brochure will inform parents and carers about our school's duties and responsibilities under child protection procedures. Parents can obtain a copy of the school Child Protection Policy on request.

## **Safer Recruitment**

The Governing Body and school leadership team are responsible for ensuring that the school follows safe recruitment processes, including:

- Ensuring the Principal, other staff responsible for recruitment and one member of the Governing Body completes safer recruitment training.
- Ensuring the upkeep of a Single Central Record of all staff and regular volunteers in accordance with government guidance

## **Ethos**

LANDAU School recognises the importance of creating an ethos within school that will help children feel safe and confident that they will be listened to.

‘We recognise that children who are abused or witness violence are likely to have low self-esteem and may find it difficult to develop a sense of self-worth. They may feel helplessness, humiliation and some sense of blame. Our school may be the only stable, secure and predictable element in their lives’.

LANDAU School will endeavour to support all pupils through:

- Ensuring the content of the curriculum includes social and emotional aspects of learning.
- Ensuring that child protection is included in the curriculum to help children recognise when they don't feel safe and to identify who they should tell.
- Promoting a positive, supportive and secure environment where pupils can develop a sense of being valued.
- The school behaviour policy which is aimed at supporting vulnerable pupils in the school.
- The school will ensure that the pupil knows that some behaviour is unacceptable but they are valued and not to be blamed for any abuse which has occurred.

## **Safe Working Practice**

LANDAU School has developed a clear code of practice (Staff Handbook/Student Handbook) that staff understand and have agreed to.

The code of practice offers guidance to staff on the way they should behave when working with children.

## **Confidentiality**

All staff are aware that they must not promise to keep, ‘secrets’ with children and that if children disclose abuse this must be passed on to the Named Persons for Child Protection as soon as possible and the child should be told who their disclosure will be shared with.

Staff will be informed of relevant information in respect of individual cases regarding child protection on a “need to know basis” only.

## **Record Keeping**

Updated July 2021

Child Protection records are kept centrally and securely by the Named Persons for Child Protection. Staff are aware that they must make a record of child protection issues and events as soon as possible and that these records must be signed and dated. Child protection records must not be made in the child's curriculum file.

### **Working with other agencies**

Schools are not investigating agencies and it essential that child protection issues are addressed through agreed procedures however schools continue to play a role after referral and need to develop strong links with partner agencies particularly social care.

LANDAU School recognises the importance of multi-agency working and will ensure that staff are able to attend all relevant meetings including case conferences, core groups and strategy meetings.

### **Allegations against members of staff**

LANDAU School recognises that it is possible for staff and volunteers to behave in a manner that causes harm to children and takes any allegations made against members of staff or volunteers seriously. The local arrangements for managing allegations are understood and followed. All staff know who to talk to if they are concerned about the behaviour of an adult.

### **The use of school premises by other organisations**

Where services or activities are provided separately by another body, using the school premises, the Governing Body will seek assurance that the body concerned has appropriate policies and procedures in place in regard to Safeguarding children and child protection (catering services).

### **Cross reference to other school policies**

Landau School recognises that a number of other policies and procedures developed and operated by school form part of the wider agenda of Safeguarding and Promoting Children's Welfare and this policy should be read in conjunction with the policies listed below:

- Anti-Bullying Policy
- Health and safety policy
- IT Policy

**This is not an exhaustive list and schools may include others not mentioned here.**

### **Policy Review**

The Governing Body is responsible for ensuring the annual review of this policy.
