

LANDAU SCHOOL

House System

Landau School has successfully launched House System since its foundation. The aim of the House System is to encourage team work and raise the aspirations of all our students. Students will have a sense of ownership for their House and we aim to provide a wide range of events including sporting and cultural to promote teamwork and a community spirit.

Head of House System will coordinate and organize competitions and to try to ensure there is something suitable for everyone. Points will be rewarded to House members and all staff, students and parents will be made aware of the results on a weekly basis. There will be a designated notice (display) board for House System with all up-to-date information regarding competitions, events and rewards.

Primary

In each campus, the Student Council Coordinator keeps track of the House Points on a weekly basis. These House Points are announced by the Mainstream Teacher to the students. In the end of the academic year, a cup will be presented to the Houses for their achievement and a gift to the winning House.

Secondary

Each term the highest achieving students from each house will become the 'Star of the Term' and appear on the notice board. A certificate will be presented to the student for their achievement in school assemblies.

Who runs and organises the competitions?

Anyone can run a competition but approval must be given from Head of House System first. Competitions can range from a variety of different activities and will happen at various times during the school year.

There are 3 houses at Landau School:

Updated July 2021

Pegasus (green)

PreSchool and Primary House Motto: Reach the Stars!

Secondary House Motto: We are Curious!

Phoenix (red)

PreSchool and Primary House Motto: Rise from the ashes!

Secondary House Motto: Future is coming!

Dragon (blue)

PreSchool and Primary House Motto: Beware our fire!

Secondary House Motto: Ours is the Wisdom!

Each house comprises of 1 house master and 2 house captains.

Students are awarded house points in the following areas:

- Landau values
- Academic
- Attendance
- Extra-curricular Activities
- Inter-House, inter-school and international competitions

Throughout each term there are various activities and competitions students can join in to earn more points for their house. Certificates and awards are presented by the head of house system.

Throughout the year students have many chances to work with members of their form and House, taking part in competitions and events. Some of these take place as part of lessons, some run during lunchtimes and after school and offer extra opportunities to get involved in the life of LANDAU School.

Updated July 2021

We have whole school events such as, where forms and students earn House points. All of these and other events build towards the awarding of the House Cup during a hugely emotional climax to our final school "House" assembly.

Head of House System organizes, promotes and runs the events.

House System will run in accordance with School Policies and code of conduct.

For each reward or sanction your teacher will add or remove points on a scale from 1 to 10. Without a formal record the points will not be counted by the Head of House System. Formal records will be recorded on the Openschool System (online management system).

YOU can earn points or lose them depending on the following:

POINTS ARE AWARDED if,	POINTS ARE WITHDRAWN if, you
You are consistently punctual	You are continuously late to lessons/school
